Mayor Rod Westbroek

## MAYOR'S MESSAGE

---

Hello, everyone!

June is already here. WOW, seems like just yesterday I was still pushing snow off my driveway. Can't believe the year is almost half gone.

Let me first congratulate all those who have graduated from high school, received a degree from a university, or any type of higher education. Way to go! Thanks for your determination and dedication. After attending my grandson's graduation from Northridge High, I couldn't help but think about the amount of work it takes from so many people to accomplish this. South Weber is well known for parental involvement in their child's school. I think it is just one of our city's greatest attributes. Thank you for all your time and effort...you make a big difference!!!

With summer here, I hope everyone has some great summer activities planned with your families. Have you seen or heard that the city is having 4 concerts in the park? The first one was at the end of May. Weather was a little cool, but we had a great time. Check it out on our Facebook page and plan on coming to the next ones, I think you'll have a great time!

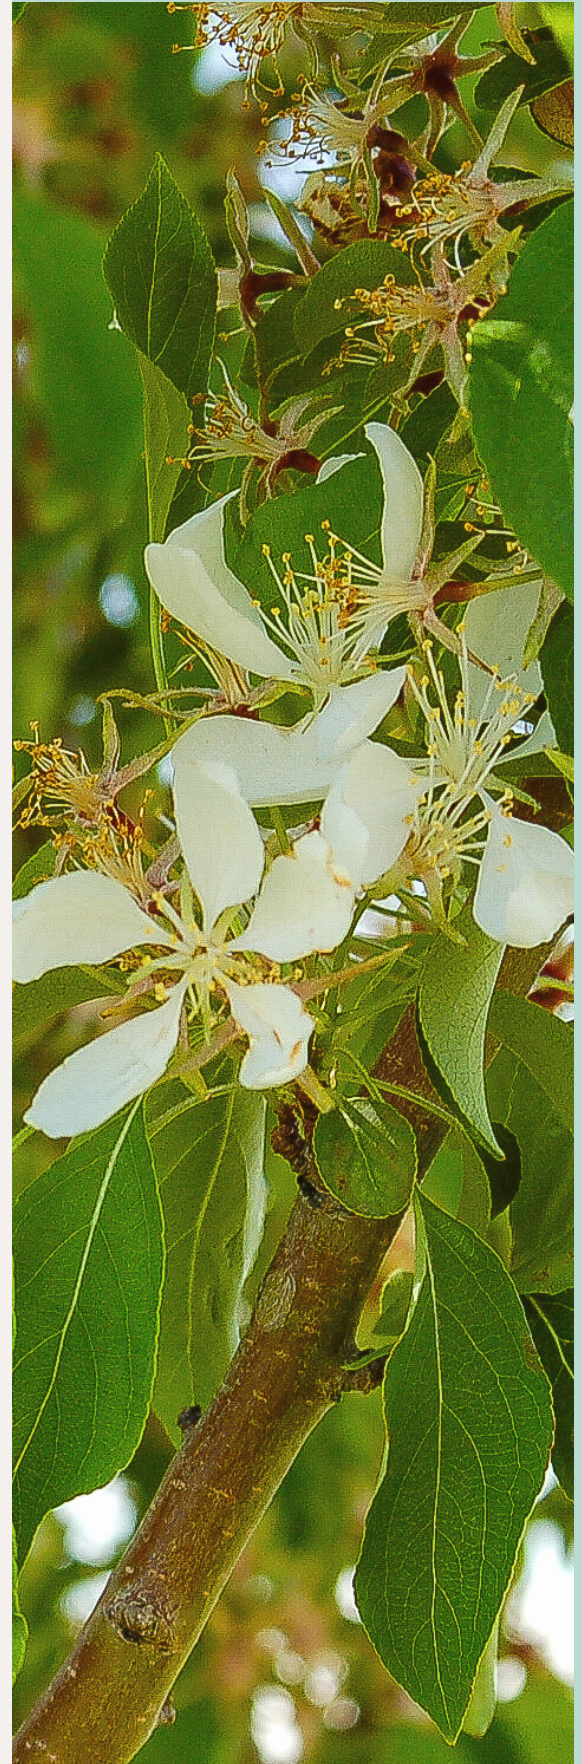

By the time this letter gets to you, the process for running for office will have passed. There will be 3 council seat open. As we enter into this election season I hope we can all appreciate those who are willing to serve this great city. You have probably noticed that we are remodeling the City Office building. We are just about finished with the process, so you'll have to stop by and see what we have changed! With the changes we have made, we feel that we should be able to function out of this building for at least 15 more years.

Hope everyone has a great and fun-filled summer. Take care of yourselves and your neighbors too!

## PARKS

Our parks here in South Weber truly shine as one of the city's major highlights. Whether it's the cherished memories created at Central Park or the refreshing updates of Canyon Meadows Park, we boast some of the most delightful green spaces around!

Guess what? July happens to be Parks and Recreation Month! And what better way to celebrate than by focusing on our parks and ensuring their well-being?

The dedicated Parks Department works tirelessly to maintain our city's parks, tending to tasks like weeding, mowing the lawns, watering, pruning, and much more! They truly excel at their job. So, as residents, how can we contribute to keeping these areas in tip-top shape?

One recurring issue we face every year is vandalism. There's always that one person who finds it amusing to deface bathroom stalls or spray profanities on playground equipment. Unfortunately, such acts detract from the natural beauty of our parks. If you witness any such incidents, don't hesitate to report them! By reaching out to the city or the Davis County Sheriff, you'll be making a significant impact!

Litter is another problem that can dampen the positive vibes in our parks. Every park has conveniently placed garbage cans nearby, so please remember to dispose of wrappers, foam cups, paper, and the like!

We hold our parks dear to our hearts and strive to maintain them in a way that allows everyone to love and enjoy them. Follow us on Facebook for updates on the exciting activities we have planned for July—you won't want to miss out on the fun!

## SANITY SPORTS SERIES

Guess what? South Weber City is rocking it with their brand new Adult Sports Series! Trust me, you won't want to miss out on this epic fun fest! Need a breather from the kiddos? Craving fresh date night ideas? Or simply itching to escape the confines of your humble abode on a Saturday night? Look no further, because our Sanity Sports Series is the ultimate destination for you!

Picture this: each month, we dive headfirst into a different thrilling sport, all going down on those sweet Saturday evenings from 6 to 8pm. Brace yourselves for a wild ride in July with a captivating game of 9-Square! As the sizzling August heat rolls in, get ready to bump, set, and spike your way through some serious Volleyball action. And hold onto your hats, because September is all about Cornhole and the endless laughs that come with it!

But wait, there's more! Don't forget to scan that handy-dandy QR Code for an extra dose of excitement and detailed information.

It's time to shake off that couch potato persona and limber up those muscles! We'll be eagerly waiting to welcome you on Saturday for an evening packed with thrills and spills.

## GOLF TOURNAMENTS

Come golf with the Davis Chamber in one of the best tournaments in Davis County! We will be golfing at Valley View Golf Course, Tucanos for lunch, Ogden Regional will be sponsoring golf balls, raffle prizes and so much more. Come join the fun! Tournaments on July 17. We are also accepting raffle prizes to promote your business to our members.

[amberlee@davischamberofcommerce.com](mailto:amberlee@davischamberofcommerce.com)

## ELECTIONS

We would like to inform you that the filing period for the upcoming Council seats has officially concluded. As a result, we are pleased to announce that we have received three candidates who have expressed their intent to run for these esteemed positions. The candidates are as follows:

Jeremy Davis

Blair Halverson

Wayne Winsor

Considering the current scenario where the number of candidates corresponds exactly to the number of available Council seats, it is possible that a General Election may not be required. However, we anticipate providing further updates regarding this matter in September. In the meantime, a General Election is scheduled to take place on November 21, 2023.

We kindly remind all eligible voters to ensure their registration is up to date. If you have not yet registered, we encourage you to visit [vote.utah.gov](https://vote.utah.gov) for the necessary information and procedures.

## CONCERTS IN THE PARK

Guess what? We've already rocked not just one, but TWO amazing concerts as part of our sizzling Concerts in the Park Series this summer! And let me tell you, they were an absolute blast!

But hey, hold on tight, because we're not done yet! We've got two more incredible concerts coming your way, folks! So mark your calendars and get ready to have a blast on the last Thursday of July and September at Central Park! It's gonna be an unforgettable night of pure fun with the whole family!

July is gonna be off the charts! We've got a super cool Kid Entrepreneur event happening right in the heart of the park. While you groove to some awesome tunes, you can indulge in mouthwatering food and explore a bunch of fantastic booths! Trust me, it's gonna be a kiddo's dream come true!

And let's not forget September! Picture this: sunny skies, lush green grass, and a whole lot of family picnic games! We're talking water balloon toss, egg race, Potato Sack Races...the works! It'll be an absolute blast, and you won't want to miss out on this action-packed evening!

We're really crossing our fingers to see your smiling faces there! We've got an incredible lineup of bands that'll blow your mind. So grab your friends, pack up the family, and get ready to dance the night away!

## CROSSING GUARDS NEEDED

We've got good news and not-so-good news. The not-so-good part is that we're short on crossing guards for the upcoming school year. But guess what? That means you have a chance to step up and become a legend in our community!

Apply today to be a crossing guard and make a real impact. You'll be the superhero who keeps our kids safe while they navigate those crazy intersections. Just imagine the smiles and high-fives you'll get from them and their grateful parents.

So, what are you waiting for? Embrace this incredible opportunity to be a crossing guard extraordinaire. Let's keep our kids safe and have a blast while doing it. Apply now and become a local hero!

## SLOW DOWN!

School's out for the summer, baby! And you know what that means, right? Kids galore, everywhere you look! Just a friendly reminder to keep an eye on your speed and watch out for those little pedestrians. We teach 'em young to check both ways before crossing the road, but let's be real, sometimes the excitement of what's on the other side can be too much for their eager minds to resist!

South Weber Presents

# CONCERTS IN THE PARK

Special Performance By  
**Christian Scheller**

Unsure which secondary water company covers your area? Look no further! Our amazing City Engineer has a wide range of maps available just for you. Simply scan the QR code and explore all the information you need!

## Keeping South Weber City Clean and Safe: Let's Tackle Junk and Weeds!

We're here to talk about something important: keeping our beloved city clean and safe for everyone. In Chapter 4, Section 2 of our regulations, we've got some guidelines to ensure that our properties stay spick and span and that we don't let any nuisances creep in.

Let's start with the dreaded "J" word: junk. Now, we all know junk can be an eyesore, right? So, it's essential that property owners, occupants, and managers do their part and make sure junk doesn't pile up on their premises. Let's keep our community looking fabulous and eliminate any safety hazards that junk may pose. Remember, a clean city is a happy city!

Next up, we have our green invaders: weeds. They may seem harmless, but trust us, they can cause trouble. Property owners, listen up! It's your responsibility to tame those weeds that grow taller than six inches.

Why? Well, weeds can become fire hazards, contaminate our surroundings, and provide cozy homes for creepy crawlies. Let's kick those weeds to the curb and create a safer and healthier South Weber City.

We've given you a sneak peek, but make sure to check out the full regulations in Chapter 4, Section 2. Familiarize yourself with the details, because together, we can make a real difference in maintaining our city's cleanliness and ensuring everyone's well-being.

Got any questions or concerns? Reach out to our friendly City Office. We're here to help!

So, let's roll up our sleeves, grab those gardening tools, and show South Weber City some love. Together, we'll keep our community shining bright and make it a fantastic place to call home. Stay awesome, South Weber City!

Registration begins June 20th, see specific event for ending date.  
Pre-Registration is REQUIRED for most events, unless otherwise noted.

Register early, space is limited. Register at  
[www.southwebercity.com](http://www.southwebercity.com)

## TRAILER PARKING

As you already know, trailers are not allowed to be parked in the same spot on the street for more than 24 hours. However, with recent changes, even if you decide to move your trailer within a half-mile of its previous parking spot, you can still be cited within that same 24 hour period. We understand that it might be tempting to park it at your neighbor's house across the street to avoid any citations, but that could still lead to a citation being issued.

We truly appreciate your understanding and cooperation as we work together to maintain the harmony of our community. Let's all do our part in following these rules and finding appropriate parking solutions for our trailers. Thank you so much for your consideration, and let's keep our neighborhood a great place to live!
