Mayor's Corner

During this past month, the new City Councilmembers were sworn in and began their terms in office. They are off to a great start and I look forward to working with them!

Thanks to everyone who came to the grand opening of the new Maverik Store. Maverik told me many times throughout the day of the opening, and thereafter, that it was the best turnout ever at a grand opening. Thank you for welcoming them into our City.

Finally, to all the romantics in South Weber: "Have a loving Valentines Day!"

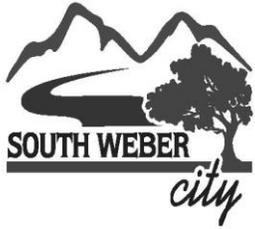

-Mayor Tammy Long

Manager's Minute

The Maverik Store is off to a great start, we hope that you find it to be a great convenience. Now that the store is open for business, the City will be working with UDOT to determine if traffic volumes warrant a traffic light or other safety features at the intersection of South Weber Drive and the Frontage Road (2700 East).

The recently elected City Council members (Jo Sjoblom, Kent Hyer, and Merv Taylor) were "sworn in" on January 5th and they have already attended their first three City Council meetings. They also participated with the Mayor and other City Council members (Scott Casas and Marlene Poore) in the annual "Summit" (Retreat), in which they were able to help plan upcoming City projects. The City appreciates the HighMark Charter School for making its building available during this annual Summit.

The Youth City Council members were able to attend the "Day at the Legislature" event on January 27th. This event was organized by the Utah League of Cities and Towns and it was an excellent opportunity to learn more about how our state government operates. Our Youth City Council is involved in many service events and activities throughout the year.

Please do not park your vehicles on the streets because of the need for snow removal. Remember that if you are not able to remove the snow and ice from the sidewalks and driveways in front of your own property, you could request the assistance of your neighbors, friends, relatives, local church or scout group. Let's make South Weber City a safer and better place to live!
