 - b. Upon receipt of an Annual Participation Commitment Statement, the Participating Entity shall complete the annual plan portion of the Annual Participation Commitment Statement outlining the actions they intend to take that address the wildfire threat. The Participating Entity shall send the completed annual plan to FFSL for review and approval within sixty (60) days of receipt of an Annual Participation Commitment Statement.
 - c. Upon receipt of the Participating Entity's annual plan, FFSL shall review the annual plan. FFSL may request additional information before approving the annual plan.  - d. Upon receipt of the signed Annual Participation Commitment from FFSL, the Participating Entity's chief executive shall sign and return the fully executed Annual Participation Commitment Statement to FFSL by the deadline provided. In the event the Participating Entity fails to sign and return the Annual Participation Commitment Statement by the deadline provided, FFSL shall terminate this Agreement at the conclusion of the last calendar year in which the Participating Entity complied with this requirement.
2. Fulfillment.

- d. At FFSL's discretion, the value of capital improvement actions may carry-over for up to five (5) years and the value of non-capital improvement actions may carry-over for up to three (3) years.
- e. The Participating Entity must receive written approval from FFSL before pursuing carry-over for a specific action under Section III(4)(c) of this Agreement.
- f. Amounts reported annually in excess of Participation Commitment shall not carry-over without written approval under this Section III(4).

5. Reporting.

- a. The Participating Entity shall record and account for its Participation Commitment actions and expenditures in UWRAP.

- c. FFSL shall calculate the Fire Cost Average based on historic suppression costs accrued within the Participating Entity's jurisdictional boundary. The Fire Cost Average shall only include wildland fire suppression costs accrued and paid by FFSL on behalf of a Participating Entity within the Participating Entity's jurisdictional boundary. The Fire Cost Average may include State-

paid costs after Delegation of Fire Management Authority and Transfer of Fiscal Responsibility has occurred within the Participating Entity's jurisdictional boundary.

- d. The Fire Cost Average shall be calculated on a rolling, ten-year average, dropping the highest and lowest cost years and adjusting for inflation using the Consumer Price Index. Each ten-year average shall contain eight data points.

7. Appeals.

- a. Where permitted by Utah Admin. Code R652-122, the Participating Entity may appeal a decision regarding its Participation Commitment by submitting a written appeal that states the reasons for the disagreement to the State Forester within ninety (90) days of the occurrence of the reason for disagreement.

IV. Initial Attack.

1. The Participating Entity shall have primary responsibility for Initial Attack ("IA") on all nonfederal lands within the response area of the Participating Entity or within the response area of any delegee of the Participating Entity.
2. IA may include different resources based on fire danger, fuel type, values to be protected, and other factors.
3. FFSL shall determine effective wildfire IA pursuant to the definition of IA under this Agreement and Utah Code 65A-8-202, defining IA as what is reasonable for the Participating Entity.
4. The Participating Entity shall have financial responsibility for all IA costs within their jurisdictional boundary, other than the cost of aviation assets.
5. FFSL shall have financial responsibility for all IA aviation asset costs.

V. Delegation of Fire Management Authority and Transfer of Fiscal Responsibility.

1. Delegation of Fire Management Authority and the transfer of fiscal responsibility to FFSL for the wildfire at issue shall occur simultaneously with one of the following events:
 - a. The involvement of state-owned or federally-owned lands in the wildfire;
 - b. The order, beyond pre-planned dispatch, of firefighting resources through an Interagency Fire Center;
 - c. The request, by the local fire official on scene, of the Participating Entity with jurisdiction; or
 - d. The decision of the State Forester, after consultation with local authorities.
2. Upon Delegation of Fire Management Authority to FFSL, FFSL, or its designee, shall be the primary incident commander in a unified command environment with the agency having jurisdiction.

3. The occurrence of aviation assets on pre-planned dispatch, as established by the State, shall not cause an automatic Delegation of Fire Management Authority.

VI. Extended Attack.

1. Immediately upon Delegation of Fire Management Authority, the incident commander shall record a timestamp via radio with the Interagency Fire Center servicing the incident.
2. The Crew Time Report (“CTR”) or Shift Ticket of all resources not covered by a no-cost local agreement, such as an automatic aid system or other inter-local agreement, shall also reflect the timestamp recorded in Section VI(1).
3. Immediately upon Delegation of Fire Management Authority, a new CTR or Shift Ticket shall be started for all resources to be used in the Extended Attack.
4. All incident commanders named on the incident organizer shall sign delegation documentation. Resource needs shall be reevaluated in the transition from IA to Extended Attack.
5. Upon Delegation of Fire Management Authority, and if the Participating Entity is compliant with relevant statutes, regulations, and the terms of this Agreement, FFSL shall be financially responsible for wildland fire suppression costs incurred beyond IA.

VII. Wildland Fire Response Training and Certification.

1. The Participating Entity shall ensure Firefighters providing IA within the Participating Entity’s jurisdiction are trained in NWCG S130 Firefighter Training and S190 Introduction to Wildland Fire Behavior.

3. Upon Delegation of Fire Management Authority, FFSL may release from IA, or reassign to other firefighting duties, any Firefighter not certified as a NWCG Wildland Firefighter II.

VIII. Wildland Fire Response Equipment Standards.

1. The Participating Entity shall ensure engines, water tenders, hand tools, and water handling equipment used for response to wildland fire on nonfederal land within the Participating Entity’s jurisdiction meet the National Wildfire Coordinating Group standards and, if applicable, the FFSL Fire Department Manual standards.

IX. Wildland Fire Cost Recovery Actions.

1. Pursuant to Utah Code Title 65A and Utah Admin. Code R652, and when an investigation reasonably shows a person or persons started a wildfire by acting

in a negligent, reckless, or intentional manner, the Participating Entity shall initiate a civil action to recover all wildland fire costs incurred for a particular fire ("Cost Recovery Action"), except for when Delegation of Fire Management Authority has occurred. FFSL shall assist the Participating Entity in a Cost Recovery Action under this Section IX(1).

2. Costs recovered by the Participating Entity beyond the costs, including legal fees in pursuing the Cost Recovery Action, incurred by the Participating Entity itself shall be distributed amongst all other entities with incurred suppression costs.
3. The value of costs incurred and recovered by the Participating Entity may reduce the Participating Entity's Historic Fire Cost Average and Participation Commitment.
4. If the Participating Entity does not intend to initiate a Cost Recovery Action under Section IX(1), the Participating Entity shall immediately notify FFSL.
5. FFSL may initiate a Cost Recovery Action at any time, including when Delegation of Fire Management Authority has occurred and upon notice by the Participating Entity under Section IX(4).

X. Probation Status.

1. At the end of each calendar year, FFSL shall review the Participating Entity's compliance with the terms of this Agreement.
2. If the Participating Entity is found to be in noncompliance, FFSL shall place the Participating Entity on "Probation Status" and provide the Participating Entity with a "Probation Notice" including:
 - a. Notice of the Probation Status;
 - b. The reason for the Probation Status;
 - c. The action(s) the Participating Entity must take to remedy the Probation Status; and
 - d. The time frame within which the Probation Status may be remedied.
3. If the reason for the Probation Status is the Participating Entity's failure to fulfill its Participation Commitment for the previous calendar year:
 - a. The Participating Entity shall fulfill its Participation Commitment for the previous year and its Participation Commitment for the current calendar year within the Probation Notice time frame;
 - b. FFSL shall credit the Participating Entity's Participation Commitment expenditures and actions toward the Participating Entity's outstanding obligation before it may credit the expenditures and actions toward the current obligation;
 - c. FFSL may, based on evidence of a good faith effort to comply with Section X(3)(a) and at the sole discretion of FFSL, extend the Probation Notice time frame if the underlying noncompliance is not timely remedied; and

- d. FFSL shall lift the Probation Status if the underlying noncompliance is remedied within the Probation Notice time frame.
4. If the reason for the Probation Status is the Participating Entity's noncompliance with one or more terms of this Agreement, apart from a failure to fulfill its Participation Commitment:
 - a. The Participating Entity shall remedy the underlying noncompliance that led to the Probation Status within the Probation Notice time frame.
 - b. FFSL shall lift the Probation Status if the underlying noncompliance is remedied within the Probation Notice time frame.
 - c. FFSL may, pursuant to Section XI, revoke this Agreement if the underlying noncompliance is not remedied within the Probation Notice time frame.
5. For the duration of the Probation Status, this Agreement remains valid.
6. FFSL may, pursuant to Section XI, revoke this Agreement if the underlying noncompliance is not remedied within the Probation Notice time frame.

XI. Revocation.

1. FFSL may revoke this Agreement by providing written notice to the Participating Entity more than forty-five (45) days from the start or end of the statutory fire season, as defined in Utah Code 65A-8-211.
2. If the Participating Entity signed and returned the Annual Participation Commitment Statement to FFSL, a revocation by FFSL shall be effective in the calendar year following the year the Annual Participation Commitment Statement was signed and returned.
3. The Participating Entity may revoke this Agreement by:
 - a. Providing written notice to FFSL of its intent to revoke this Agreement; or
 - b. By failing to sign and return the Annual Participation Commitment Statement to FFSL, unless a written extension for return has been granted by FFSL.
4. Any revocation of this Agreement is considered a termination of the Agreement.
5. If either FFSL or the Participating Entity revokes this Agreement, the Participating Entity may only enter into a new CWS cooperative agreement with FFSL if the Participating Entity meets the requirements under Utah Administrative Code R652-121-600 and the Participating Entity pays FFSL all outstanding wildfire suppression costs in full.
6. If FFSL revokes this Agreement after the Participating Entity was placed on Probation Status, the Participating Entity shall be responsible for all costs of wildfire suppression incurred by FFSL within the Participating Entity's jurisdiction from the date of the Probation Notice to the revocation of this Agreement.

7. A revocation of this Agreement by FFSL may be informally appealed to the State Forester within thirty (30) days of the notice of revocation being provided.

XII. Renewal, Amendment, and Compliance with Applicable Laws.

1. If neither FFSL nor the Participating Entity revoke this Agreement under Section XI, this Agreement may renew for a consecutive five (5) year term.
2. There is no limit to the number of terms this Agreement may renew for.
3. The terms of this Agreement may be amended at any time by the written agreement of both Parties.

Any action or proceeding arising from this Agreement shall be brought in a court of competent jurisdiction in the State of Utah. Venue shall be in Salt Lake City, in the Third Judicial District Court for Salt Lake County.
2. At all times during this Agreement, the Participating Entity shall comply with all applicable federal and state constitutions, laws, rules, codes, orders, and regulations, including applicable licensure and certification requirements.
