V. Delegation of Fire Management Authority and Transfer of Fiscal Responsibility.

2. Upon Delegation of Fire Management Authority to FFSL, FFSL, or its designee, shall be the primary incident commander in a unified command environment with the agency having jurisdiction.

3. Deployment of aviation assets on pre-planned dispatch, as established by the State, does not cause an automatic Delegation of Fire Management Authority.

VI. Extended Attack.

1. Immediately upon Delegation of Fire Management Authority, the incident commander shall record a timestamp via radio with the Interagency Fire Center servicing the incident.
2. The Crew Time Report (“CTR”) or Shift Ticket of all resources not covered by a no-cost local agreement, such as an automatic aid system or other inter-local agreement, shall also reflect the timestamp recorded in Section VI(1).
3. Immediately upon Delegation of Fire Management Authority, a new CTR or Shift Ticket shall be started for all resources to be used in the Extended Attack.
4. All incident commanders named on the incident organizer shall sign delegation documentation. Resource needs shall be reevaluated in the transition from IA to Extended Attack.

VIII. Wildland Fire Response Equipment Standards.

1. The Participating Entity shall ensure engines, water tenders, hand tools, and water handling equipment used for response to wildland fire on nonfederal land within the Participating Entity’s jurisdiction meet the National Wildfire Coordinating Group standards and, if applicable, the FFSL Fire Department Manual standards.

IX. Wildland Fire Cost Recovery Actions.

1. Pursuant to Utah Code Title 65A and Utah Administrative Code R652, and when an investigation reasonably shows a person or persons started a wildfire by acting in a negligent, reckless, or intentional manner, the Participating

Entity shall initiate a civil action to recover all wildland fire costs incurred for a particular wildland fire (“Cost Recovery Action”), except for when Delegation of Fire Management Authority has occurred. FFSL may assist the Participating Entity in a Cost Recovery Action under this Section IX(1).

2. The Participating Entity shall notify FFSL once it has initiated a Cost Recovery Action.
3. If the Participating Entity recovers from a Cost Recovery Action, the Participating Entity shall provide to FFSL documentation verifying wildland fire costs by the Participating Entity and the legal costs incurred for the Cost Recovery Action.
4. The Participating Entity may retain costs recovered up to and not exceeding its incurred wildland fire costs—including legal fees in pursuing the Cost Recovery Action. All other recovered costs shall be tendered to FFSL for distribution amongst other entities with incurred suppression costs.
5. The value of costs incurred and recovered by the Participating Entity may reduce the Participating Entity’s Historic Fire Cost Average and Participation Commitment.
6. FFSL may initiate a Cost Recovery Action at any time, including when Delegation of Fire Management Authority has occurred and upon notice by the Participating Entity under Section IX(4).

X. Probation Status.

1. At the end of each calendar year, FFSL shall review the Participating Entity’s compliance with the terms of this Agreement.

 - b. The reason for the Probation Status;
 - c. The action(s) the Participating Entity must take to remedy the Probation Status; and
 - d. The time frame within which the Probation Status may be remedied.
3. If the reason for the Probation Status is the Participating Entity’s failure to fulfill its Participation Commitment for the previous calendar year:
 - a. The Participating Entity shall fulfill its Participation Commitment for the previous year and its Participation Commitment for the current calendar year within the Probation Notice time frame;
 - b. FFSL shall credit the Participating Entity’s Participation Commitment expenditures and actions toward the Participating Entity’s outstanding obligation before it may credit the expenditures and actions toward the current obligation;
 - c. FFSL may, based on evidence of a good faith effort to comply with Section X(3)(a) and at the sole discretion of FFSL, extend the

- Probation Notice time frame if the underlying noncompliance is not timely remedied; and
- d. FFSL shall lift the Probation Status if the underlying noncompliance is remedied within the Probation Notice time frame.
4. If the reason for the Probation Status is the Participating Entity's noncompliance with one or more terms of this Agreement, apart from a failure to fulfill its Participation Commitment:
 - a. The Participating Entity shall remedy the underlying noncompliance that led to the Probation Status within the Probation Notice time frame;
 - b. FFSL shall lift the Probation Status if the underlying noncompliance is remedied within the Probation Notice time frame; and

3. The Participating Entity may revoke this Agreement by:
 - a. Providing written notice to FFSL of its intent to revoke this Agreement; or
 - b. By failing to sign and return the Annual Participation Commitment Statement to FFSL, unless a written extension for return has been granted by FFSL.
4. Any revocation of this Agreement is considered a termination of the Agreement.
5. If either FFSL or the Participating Entity revokes this Agreement, the Participating Entity may only enter into a new CWS cooperative agreement with FFSL if the Participating Entity meets the requirements under Utah Administrative Code R652-121 and the Participating Entity pays FFSL all outstanding wildland fire suppression costs in full.
6. If FFSL revokes this Agreement after the Participating Entity was placed on Probation Status, the Participating Entity shall be responsible for all costs of wildland fire suppression incurred by FFSL within the Participating Entity's jurisdiction from the date of the Probation Notice to the revocation of this Agreement.

7. A revocation of this Agreement by FFSL may be informally appealed to the Director within thirty (30) days of the notice of revocation being provided.
